INDEPENDENT ACCOUNTANTS' EXAMINATION REPORT

Honorable Sid Gautreaux
East Baton Rouge Parish Sheriff
As Ex-officio Parish Tax Collector
Baton Rouge, Louisiana

We have examined the accompanying Summary of Cash Available for Settlements, the Summary of Collections, Distributions, and Cash Available for Settlement, the Schedule of the 2013 Tax Roll and Settlements to Taxing Bodies, and the Affidavit of the East Baton Rouge Parish Sheriff as Tax Collector (the Sheriff) for the year ended June 30, 2014. These summaries and schedules are the responsibility of management. Our responsibility is to express an opinion on these summaries and schedules based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and included examining, on a test basis, evidence supporting the Summary of Cash Available for Settlement, the Summary of Collections, Distributions, and Changes in Cash Available for Settlement, the Schedule of the 2013 Tax Roll and Settlements to Taxing Bodies and the Affidavit, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

The purpose of the summaries and schedules referred to above is to report current year ad valorem taxes and fees assessed and collected, prior year taxes and other revenues collected, the settlements of taxes and other collections during the fiscal year, and the amounts remaining to be collected and disbursed in accordance with the presentation format agreed upon by the consolidated government of East Baton Rouge Parish (City-Parish) and the Sheriff.

In our opinion, the Summary of Cash Available for Settlement, the Summary of Collections, Distributions, and Changes in Cash Available for Settlement, the Schedule of the 2013 Tax Roll and Settlements to Taxing Bodies and the Affidavit referred to above present fairly, in all material respects, the assessment and collection of taxes, fees and other amounts and settlements of those items for the year ended June 30, 2014, and the assets available for settlements at June 30, 2014, in conformity with the presentation format agreed upon by the City-Parish of East Baton Rouge and the Sheriff.

These schedules are intended solely for the information and use of the East Baton Rouge Parish Sheriff and the consolidated government of East Baton Rouge Parish and are not intended to be and should not be used by anyone other than these respective parties. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
